(b) whether there are only seven authorised importers of toxic wastes in the country whereas the records of Customs Department show their number at 151,

(c) if so, the reasons therefor, and

(d) the action taken by the Government in this regard?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT AND FORESTS (CAPT. JAI NARAYAN PRASAD NISHAD) : (a) No, Sir

(b) to (d) The import of hazardous waste is regulated under Rule 11 of the Hazardous Wastes (Management and Handling) Rules, 1989, under the Environment (Protection) Act, 1986. According to these Rules, the import of hazardous wastes from any country to India is not permitted for dumping and disposal, however, import of such wastes is allowed for processing or reuse as raw materials. This Ministry has given permission to seven importers of hazardous wastes under these rules. In compliance with the orders passed by the Hon'ble High Court, no imports of hazardous wastes are being permitted.

The licence for imports are issued by the Directorate General of Foreign Trade (DGFT). All shipments are cleared based on this licence. Till 29th April, 1995, imports of all wastes were under the Open General Licence (OGL). In April 1995, the Export Import Policy was amended and hazardous wastes were placed on the restricted list. As per the policy, imports are permitted only against a licence and only for the purpose of processing or reuse. Such wastes would now be requiring a licence for imports.

The information on the actual imports based on the consignments cleared by the Customs' Department, is compiled by the Directorate General of Commercial Intelligence (DGCIS), Calcutta.
